

Regional Event Information pack

**Tuesday 20 November 2018
10:00-13:00**

**Titus Salt School
Higher Coach Road
Baildon
West Yorkshire
BD17 5RH**

An exciting opportunity for your school's Digital Leaders to meet other young people involved in the programme from across the north of England, receive exclusive training and showcase how they are helping to make the internet a better and kinder place.

Join us on Tuesday 20 November from 10:00 to 13:00

What is the Regional Event about?

Childnet are always looking for ways to improve the programme and make it more youth-led. A common thread we hear from the Digital Leaders on the programme is how much they want to meet other teams in other schools. As well as providing this networking opportunity for the young people, we wanted to give them a forum to showcase their work, access exclusive training and celebrate all their achievements so far.

Benefits for your school

- Give your Digital Leaders the opportunity to meet with other young people and stakeholders
- Celebrate the achievements of your team of Digital Leaders and showcase the impact they have
- Profile your school's involvement in the Childnet Digital Leaders Programme on a regional level
- Be inspired to continue making an impact through innovation

Benefits for Digital Leaders

- Be the first young people in the history of the programme to participate in this amazing event
- Represent your school at a high profile event featuring BBC staff, (press and policymakers)
- Meet other Digital Leaders from across the UK - share experiences and support one another
- Showcase how you help to make the internet a safer and happier place for young people

Key information

Who can attend

Digital Leaders from both primary and secondary schools are invited to attend. Please indicate the number of Digital Leaders you wish to bring and the number of teachers/chaperones when you complete the online registration form.

Timings

The events will take place on Tuesday 20 November 2018 from 10:00-13:00.

Parental consent and media consent

As the event will be photographed, Childnet need a completed media consent form for all children participating. Please note: some children may have already completed this form on initial registration and will not need to complete this form again.

Location

The event will take place at:

Titus Salt School
Higher Coach Road
Baildon
West Yorkshire
BD17 5RH

Can my school contribute to the event?

Absolutely! This event is for young people, by young people. There are lots of ways in which your school can participate directly and help us shape the event around you:

1. In order to give every child the chance to be seen at the event, we are requesting that schools make a 20 second video and film themselves waving to camera with their school name in shot. These clips will be edited together and shown during the event, Please send your short films via [WeTransfer](#) to leaders@childnet.com by **Friday 9th November**.
2. We are looking for confident and enthusiastic young people to facilitate the entire event, acting as MCs. We are hoping to have an event that is almost entirely young person focused and don't anticipate there to be many adults on stage at all!
3. There will be exhibitor opportunities at the event, with schools showcasing the amazing things they are doing. Maybe you have made a poster on digital footprints you would like to display or leaflets around cyberbullying you would like to share - these stands are a perfect opportunity to inspire others. These stands should be manned at the beginning of the event and during lunchtime - exhibitor places are limited so do let us know soon if you would like to take one of the places.

We want the Digital Leaders to take front and centre at this event and highly encourage all those who are intending to attend to get involved! To take up any of the above opportunities, please contact Danielle at danielle@childnet.com.

How can we sign up?

Please register on [Eventbrite](#) to confirm your attendance. Please note, places are limited and will be offered to those who register first.

I have a question!

No problem! Please call us on 0207 639 6967 or email Danielle on danielle@childnet.com.
